Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO/SB/08 form. To the knowledge of the undersigned, this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits in the above-referenced application.

Applicants attach copies of the listed documents. Applicants respectfully request that the Examiner consider the listed documents and indicate their consideration by making appropriate notations on the attached form.

The foreign patent documents listed on the attached form were first cited in the Notification of Reasons for Rejection ("Notification") mailed on April 11, 2006, from the Japanese Patent Office in a corresponding Japanese Patent Application, and this

Information Disclosure Statement is being filed within three months of the mailing date of that communication. A copy of the Notification is also attached.

In lieu of a statement of relevance or translation of the listed non-English documents, an English language version of the Notification is attached. Applicants have also attached a copy of the Notification for the Examiner's convenience. Applicants do not necessarily endorse the conclusions set forth in the Notification.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Examiner applies any or all the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
